BOSCO

INSPIRATION

**“THERE IS NO BETTER
DESIGNER THAN NATURE.”**

Alexander McQueen

This is Bosco.

Elegant design influenced and inspired by the modern worker who seeks versatility, mobility, aesthetic and functionality. Created to support collaboration and encourage creativity, Bosco is the ideal choice to add character to any workspace based in the most recent interior design trends.

The Collection is composed by simple shapes and traditional materials, inspired in a handcrafted concept. The combination of superb wood details with other materials will distinctively add a natural yet modern feeling to your project.

Bosco was inspired by the Italian word for wood, forest, set of magnificent and majestic trees, since wood is the starting point, the support basis of our elements, assigning it both stability, natural character and beauty.
