INSPIRATION

This is Scrita.

Persistent creativity will not be governed by the clock; exceptional ideas don't wait for appointments; compulsive inspiration knows no physical bounds. We see the potential for more effective communication all around us - developing dry-erase products for active collaboration that set your ideas free and enable you to passionately share them with the world, noting your ideas directly on your Furniture!

With discreet lines, and soft expression, this highly functional collection, stands out for its sense and simplicity - being elegant and simple in a way that enables it to fit perfectly different decoration styles and environments.

As homage to our roots, we decided to denominate all the products in this collection with names of the most picturesque Portuguese rivers, mountain ranges and cities.
