

Bi-Office

Loop Magnetic Writing Board

Designed to connect. Built to collaborate.
Create without limits.

Redefining Collaborative Spaces

Loop, a writing board that pairs a finely crafted magnetic surface with an elegant frameless modular design, creating seamless writing walls that integrate effortlessly into modern workspaces. Contemporary finishes and refined accessories complete a versatile solution where design, collaboration and functionality converge.

Refined Coloured Surface

Superior lacquered steel surface, delivers a smooth drywipe experience with full magnetic functionality, while contemporary colours bring warmth and character to modern workspaces.

Seamless Modular Design

A frameless modular system transforms individual boards into expansive writing walls, delivering a clean, uninterrupted aesthetic with the flexibility to grow alongside the workspace.

Adjustable Wooden Tray

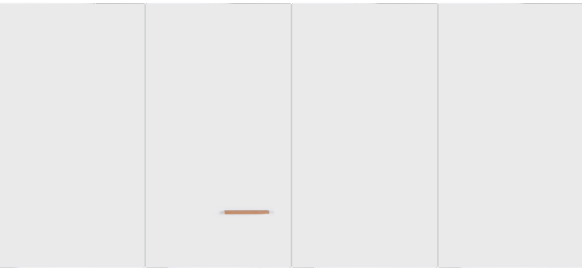

Crafted from natural wood, the accessory tray keeps everyday essentials organised and within easy reach, while its repositionable design adapts seamlessly to changing workspaces.

Scale Your Workspace

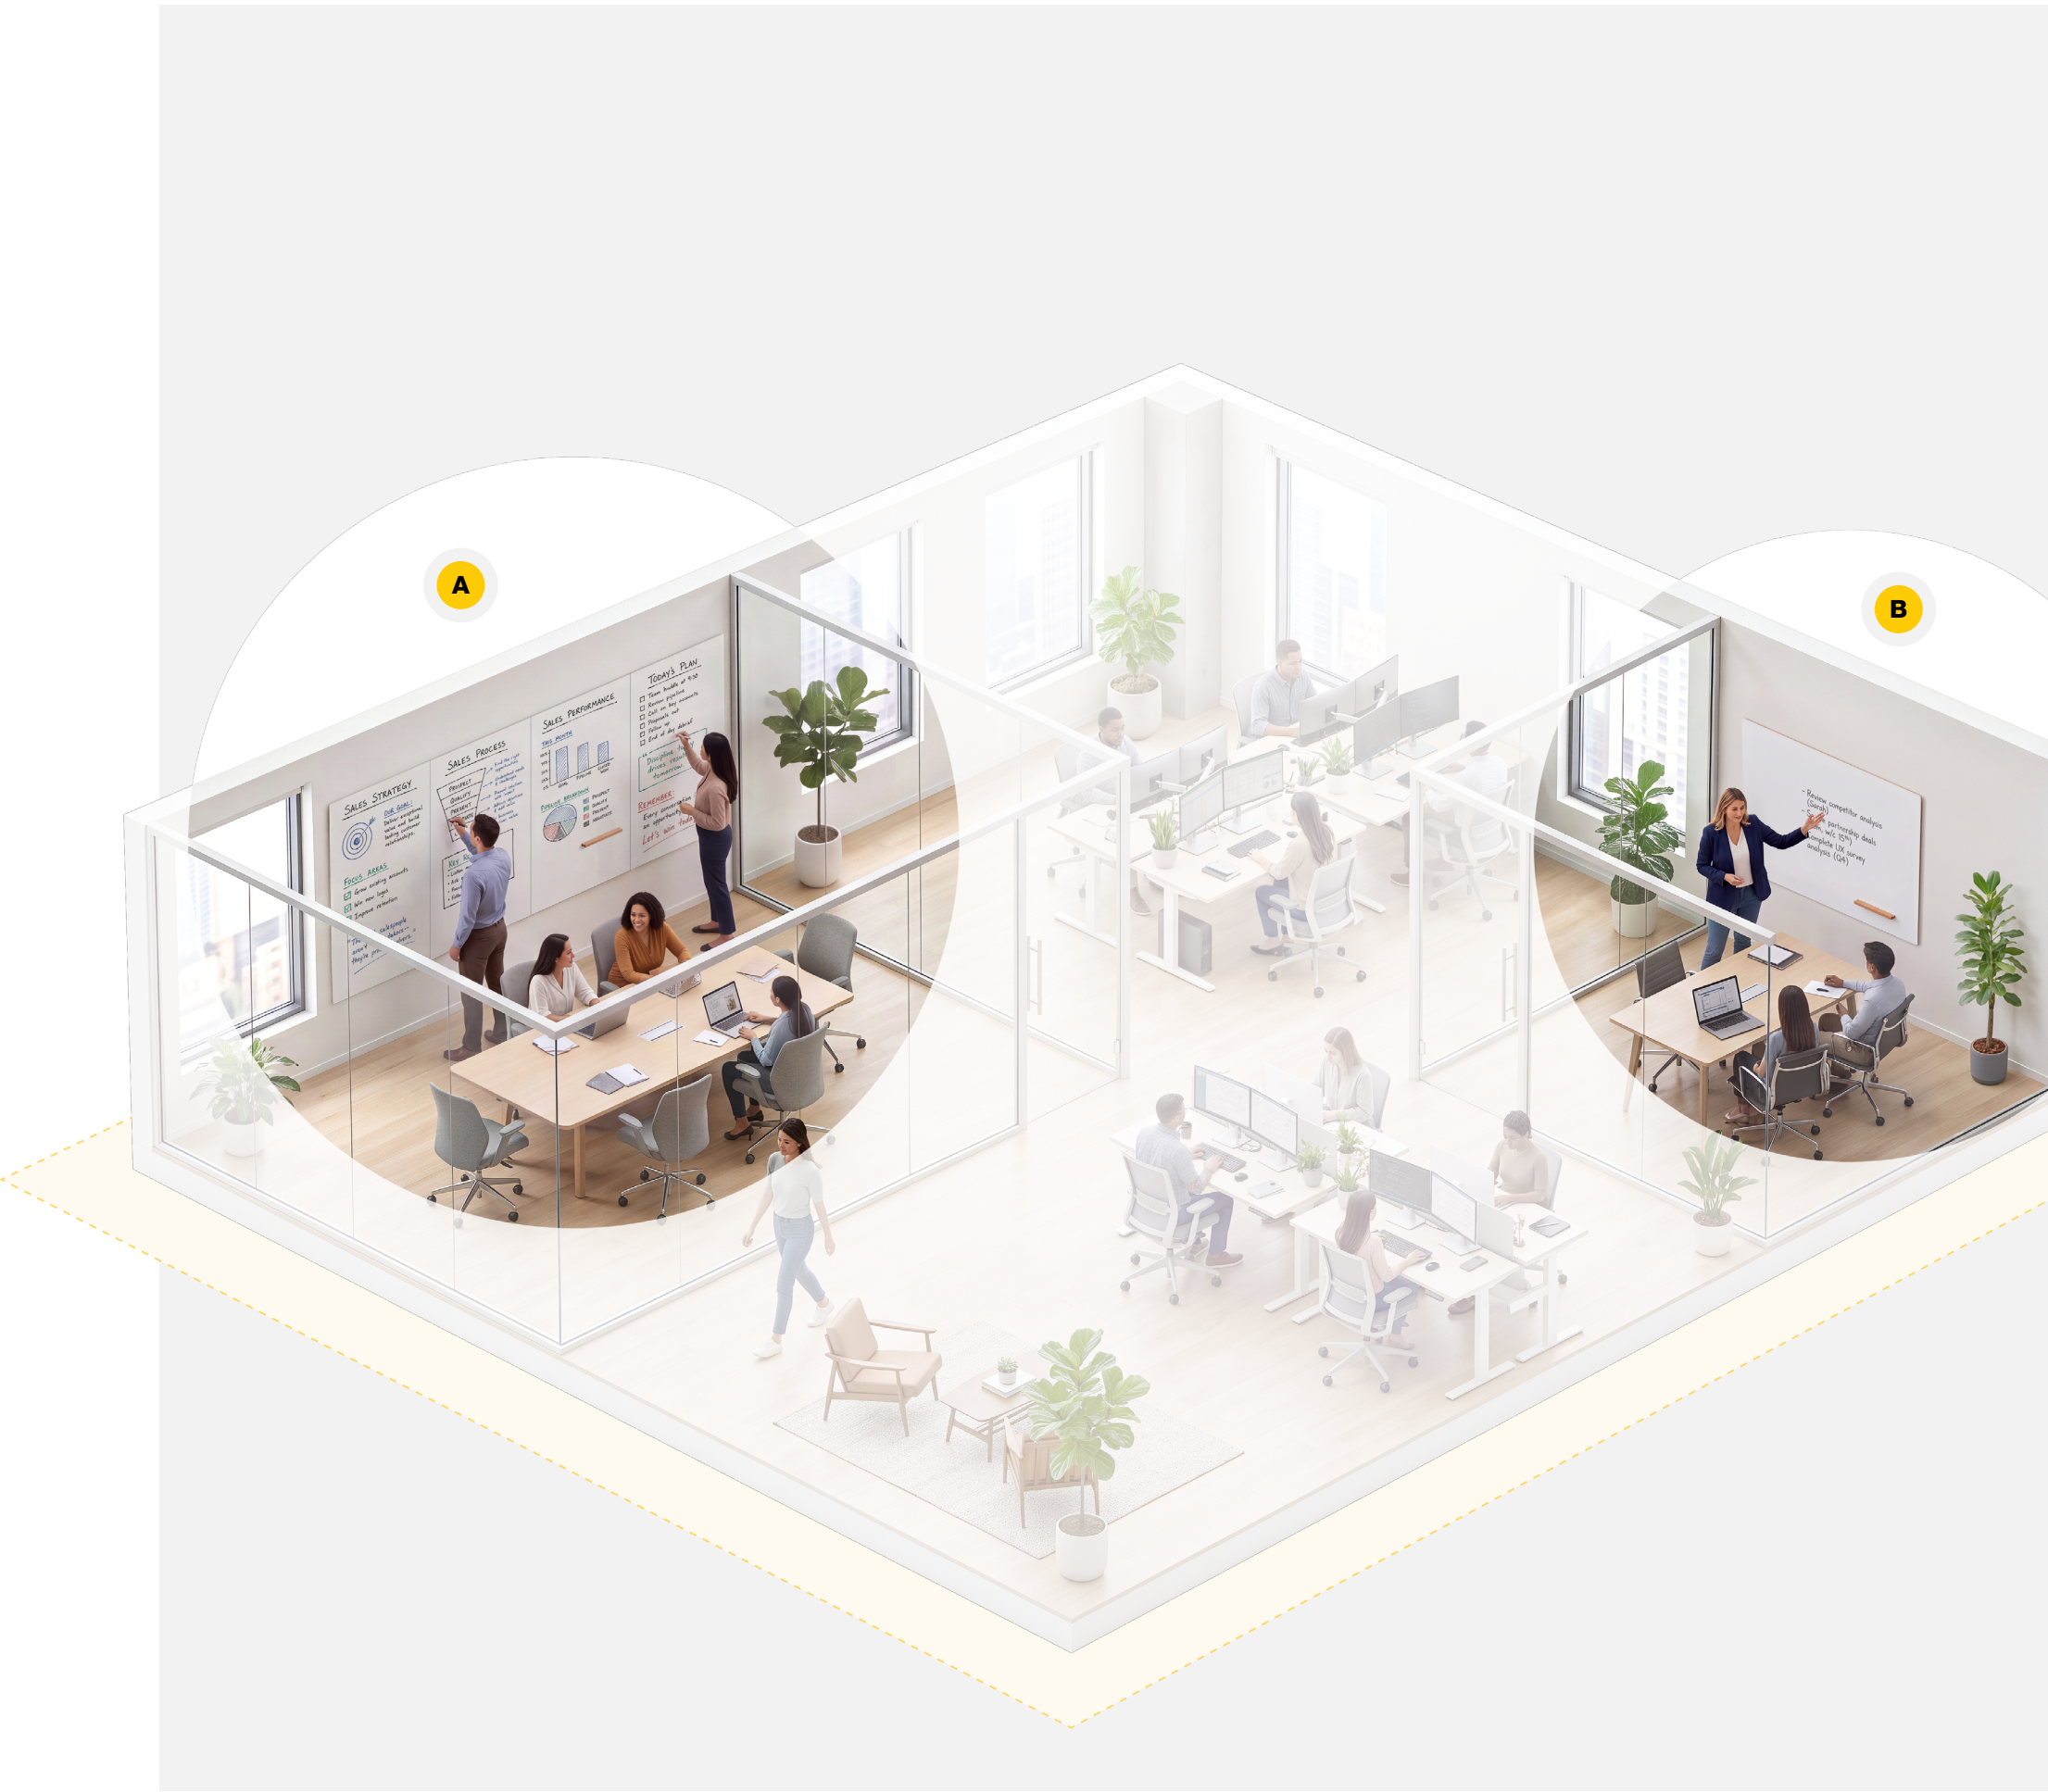

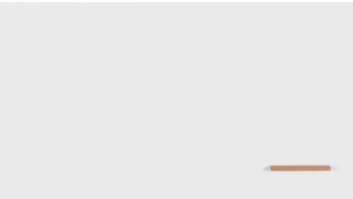

A - Multi Boards

Create a seamless, uninterrupted writing surface that scales effortlessly to accommodate complex workflows and collaborative environments.

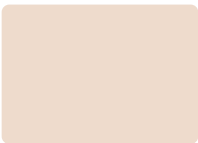

B - Single Board

From focused work to spontaneous collaboration, it adapts effortlessly to any workspace.

Colours

A considered palette, created to complement every setting. Explore the available colours and choose the finish that brings your vision to life. Colours shown are for representation purposes only and may differ from the actual product colour.
